

## Welcome Message

Dear Distinguished Guests, Esteemed Speakers, Researchers,  
and Participants,

It is my great pleasure and honor, on behalf of the College of Life Sciences at Kaohsiung Medical University, to extend a warm welcome to all of you to the **2026 International Conference on Frontier Chemistry and Life Sciences (ICFCLS 2026)**, held on March 25 and 26, 2026, at the Audio-Visual Center, Li-Hsueh Building, Kaohsiung Medical University, Kaohsiung, Taiwan.

This conference serves as a premier platform for scholars, scientists, and innovators from around the world to converge, share cutting-edge research, and foster interdisciplinary collaborations at the exciting intersections of frontier chemistry and life sciences. Organized by the College of Life Sciences, in collaboration with the Department of Medicinal and Applied Chemistry, the Department of Biomedical Science and Environmental Biology, and the Department of Biotechnology, ICFCLS 2026 aims to inspire new ideas, spark meaningful discussions, and drive advancements that address critical challenges in health, environment, and sustainable development.

To our international participants, thank you for traveling to join us—we deeply appreciate your commitment and enthusiasm. To our local colleagues and students, your energy and dedication make this event truly special.

I wish you all a productive, inspiring, and enjoyable conference. May the ideas shared here lead to fruitful collaborations and lasting impacts on the frontiers of science.

Warm regards,

**Sodio C. N. Hsu**

Professor and Dean
